THE AROUND VIEWS FIRST ANNIVERSARY

STAFF REPORTER

Around Views, one of the fastest-growing online news portal, is celebrating its first anniversary.

Around Views Editor says publishing news only after verification has been the newspaper's core principle since its inception. It has stayed away from competing with other newspapers in terms of speed of delivery and has rather focused on ensuring that every aspect of the news is covered properly.

He Also added" Accountability and responsible journalism has helped the internet-only newspaper gain reader 's trust."

Noted media personalities, entrepreneurs and foreign dignitaries attended the event and wish for the betterment of Around Views.
